

Michael Lim

Mr. Lim underwrites and coordinates project financings for Domain Communities, including acquisitions, dispositions, recapitalizations and special projects. Mr. Lim also oversees the management and financial performance of Domain's portfolio of properties across Arizona, Oklahoma and Texas.

Prior to joining Domain Communities in 2005, Mr. Lim worked for one of the nation's leading defense contractors, The Boeing Company, where he managed the financial performance of US Government contracts exceeding \$350 million.

Mr. Lim attended the University of Arizona and graduated *cum laude* with a Bachelor of Science in Finance from the Eller College of Management. He is a licensed REALTOR® in the State of Arizona and a member of the National Association of REALTORS® and the Scottsdale Area Association of REALTORS®.
